Join us Thursday, April 11th, when the Council on Legal Education Opportunity, Inc. (CLEO) will recognize and honor four individuals that have made significant accomplishments, or demonstrated commitments, to Education, Diversity, and Greater Equality in the legal profession.

CLEOINC.ORG/EDGEAWARDS

More than 50 years ago, the Council on Legal Education Opportunity's (CLEO) founders envisioned a future legal profession that reflected the diversity of our nation. Rooted in the pillar principles of Education, Diversity, and Greater Equality, they laid the groundwork for a program that would positively, and meaningfully, impact thousands of lives over the next half century.

In honor of this historic legacy, each year, the CLEO EDGE Awards recognizes individuals, law schools, and organizations that have helped to sustain and/or expand CLEO's mission through their respective passions toward "balancing the scales of justice" for all Americans.

For those who wish to join us in celebrating and honoring these distinguished individuals and entities, there are several sponsorship opportunities (detailed in the next page) that can help exemplify your organization's steadfast commitment to justice and equality.

Your support will help foster a nationwide alliance that captures that "catalyst for change" motivation that exists in many of our students who see what's going on in this world and want to **Do Something!**

Your partnership will play a crucial role in amplifying the impact of those dedicated to reshaping the future of the legal profession for the better.

For further information and/or to discuss this limited opportunity in more detail, please feel free to contact either:
